DOCUMENT STORAGE

Securely Declutter Your Office & Prepare for the Future!

GET RID OF UNNECESSARY AND OUTDATED PAPERWORK.

- Take **15 minutes** each day to go through your paperwork and purge old files. Securely shred files that are no longer needed.

TREAT YOUR DOCUMENTS AS IF YOU WERE THE PERSON SEARCHING FOR THEM 20 YEARS FROM NOW!

- Try a color-coding system to easily identify files.
- Store paperwork in the proper container.
- Use durable boxes, like NCSS's **1-piece File Box** to take the guesswork out of organizing and future retrieval.

LABEL, LABEL, LABEL!

- Using the **Printed Space** on each box, properly label each box indicating the Beginning File Name, the Ending File Name and the Date of Destruction. This will make searching for stored boxes much easier.
- Write on the **Box Content Sheet** (provided) the name of each file as it is placed in the box.
- Make a copy of the Content Sheet for your records and place a copy inside of the File Box.

PROPER STORAGE

- Allow NCSS to Provide, Secure, Climate-Controlled storage with Retrieval Services at a fraction of the cost.

•Energy Efficient

With up to 85% of UV rays reflected, many building owners find their new roof pays for itself in energy and utility savings alone, in just a few years. Now that's efficiency!

•Sustainable

Extends the life of your roof and also eliminates future roof tear offs! Simply re-new the superior protection of your Conklin roof with a recoat, once it's needed (many years down the road)!

•Saves Money

It costs less to **RESTORE** your existing roof than to replace it. Since you don't tear off your old roof, there are no disposal costs and your building's contents are never exposed to the elements! Plus most repairs are deductible as a maintenance expense!
