### Why We Consider EBS/VBS Elite:

- Selling a value proposition. For EBS/VBS, success is a combination of responsive, dedicated service, committed solutions, quality hardware, and coordinated teams to deliver it all. EBS/VBS staff is divided into three core groups: service/implementation, administration, and sales/marketing. All work together to move the clients' businesses forward by selling process improvement, security and compliance, cost of ownership, and sustainability.
- Dedication to employees. The EBS/VBS leadership values the family approach to building careers and opportunities for its employees. It provides the training and resources they need to advance their skills and knowledge. The company maintains an environment that values and encourages personal and professional growth.
- Willingness to tackle high-risk, high-reward opportunities. EBS won the contract for two Pennsylvania Healthcare companies, each with a contract worth over \$500,000. One of the key issues was the challenging nature of the compliance requirements in the healthcare industry.

EBS developed systems and programs to ensure the smooth handling of all information. Adding to the challenge was a complex installation and extensive training requirements, all to be done in an extremely tight deadline.

- Partner and community recognition. EBS became a Xerox Dealer a year ago, yet was recently honored by Xerox as The Highest Growth Document Technology Partner of the Year. EBS also won the 2016 Pro-Tech Service Award from Konica Minolta for the 11th consecutive year. The West Reading office of EBS was also named People's Choice for Berks County in the category of Information Technology and Office Equipment. This is the 15th year in a row to win this recognition.
- Community support. EBS and VBS are involved in all aspects of their communities and sponsor numerous sports teams, events and non-profits. In PA they are involved with Musikfest, Scranton University, Misericordia University, Easter Seals, Diakon, the Allentown Art Museum, Historic Bethlehem, WLVT PBS Ch. 39 and more. In VA, they support the sports teams of VCU, UVA, JMU, and the Flying Squirrels. Also Massey Cancer Center, Connor's Heroes, Carpenter Theatre and Innsbrook After Hours.
