**Share-A-Night,  
Giving the Gift of  
Togetherness**

at the

Ronald McDonald  
House of Danville....

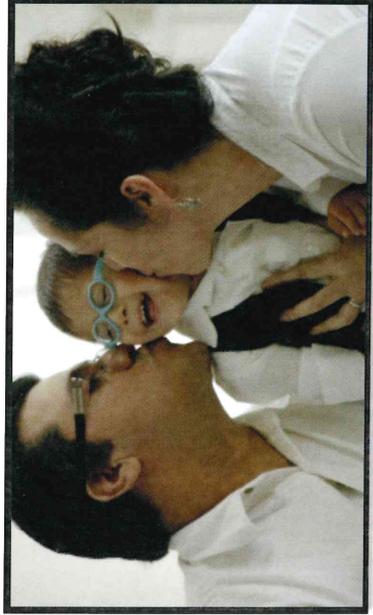

Through our **Share-A-Night Program, Giving the Gift of Togetherness** you can help a family stay together at a time when they need each other most. While our guests are asked to make a \$15 donation for each night's stay, that amount only covers a portion of the actual cost – \$100 a night per family. Nearly 44% of our monthly guests cannot afford the suggested \$15 per night donation, but no family is ever turned away. By contributing to our **Share-A-Night Program**, you will help the Ronald McDonald House of Danville provide shelter to families with sick children.

Please consider sponsoring a family of a critically ill child by making a gift to our House. Your gift will help keep families with sick kids together and ensure the success of the House that Love Built.

- \$100 – Sponsors a family for one night
- \$500 – Sponsors a family for five nights
- \$1,000 – Sponsors a family for ten nights
- \$3,000 – Sponsors a family for thirty nights
- \$5,000 – Sponsors a family for fifty nights

This is the House  
 Where families meet  
 To continue their lives  
 To eat and sleep.  
 To find their strengths  
 And dry their tears  
 To look forward with hope  
 To better years.
