How PAL could help!

- Your financial institution* cannot approve the total loan request for your business
- A loan request is submitted for your business by your financial institution to the Central PA Chamber of Commerce
 - The Chamber pledges a Certificate of Deposit to support the financial institution's loan
- A Chamber PAL could be as high as 10% of the business loan, not to exceed \$25,000
 - The principal(s) will sign a consent and personal guarantee at time of closing
- Your business and your financial institution are required to remain Chamber members for the duration of the loan

Note: The Central PA Chamber of Commerce will limit its total PAL commitments.

**Financial institution must be a participating Chamber member.*

PAL

Pledged Asset Loan

Need a little help securing a business loan?

The Central PA Chamber of Commerce offers Pledged Asset Loans (PAL) to close the gap between the money you need and what your financial institution is willing to lend.

Only members of the Central PA Chamber are eligible for this program, aimed to provide a "helping hand" to area businesses.

You can think of PAL as your grandparent giving you the critical support you need to secure a loan.

Ask your member financial institution if a PAL could help you!
