### **Central Susquehanna Community Foundation Announces Grant Opportunities for Disaster Relief**

Berwick, PA—In response to the heightened needs of area nonprofit organizations and its mission to enhance the quality of life in the region, the Central Susquehanna Community Foundation is pleased to announce a second grantround available for Disaster Relief Funding. Established in 2011, the purpose of the Foundation's Disaster Relief Fund is to support nonprofit organizations affected by disasters in Lower-Luzerne, Columbia, Montour, Northumberland, Snyder and Union Counties. The grantround is designed as a flexible response to provide relief for a variety of unexpected costs. The Foundation is specifically interested in helping organizations maintain their operations and respond to increased demand from clients during this critical time.

While many CSCF funds have contributed to these Disaster Relief efforts, the grantround can create an even bigger impact with contributions from community members. To join the Foundation in this initiative, visit <https://csgiving.org/disaster-relief> to make a secure online donation.

Grant requests ranging from \$500-10,000 are currently being accepted. Additional funding may be considered on an individual basis. This is the second grantround from the Disaster Relief Fund in 2020. The grant application has been updated. If your organization applied in the first grantround in April and wishes to apply again, you must submit a new application for this grantround.

Only 501(c)(3) nonprofit and government organizations are eligible to apply and the requested funding must be invested within the CSCF service area of Lower-Luzerne, Columbia, Montour, Northumberland, Snyder and Union Counties. Individuals are not eligible to apply. To discuss your organization's eligibility, please contact the Foundation.

Grant applications must be completed and submitted through a web-based program. Interested applicants can access the grantround guidelines and applications by visiting [www.csgiving.org](http://www.csgiving.org).

**Grant requests must be submitted online by 11:59 pm on Tuesday, June 16, 2020.**
