The Inside Scoop

Let's Start the New Year Right!

I hope you had a restful, enjoyable holiday season! It was nice to pause for the holiday break, reflect on how impactful the past year has been, and give thanks for the prosperity and fruits of our labor.

2025, the Central PA Chamber's 120th Anniversary year, set the bar very high and as usual, your Chamber team is diligently pursuing every opportunity and planning very well ahead to deliver for you in 2026.

Where possible, all 2026 events are already on our online events calendar for you to register and add to your calendar. Jessica and Tea Jay have confirmed sponsors, venues, speakers, and instructors to host most of these events. Opportunities are still available if you wish to take advantage of the benefits provided for assisting us to make these events available for your fellow members.

Being a Central PA Chamber member provides a platform for your business or organization to market and advertise to fellow members. In addition to the Membership Directory, referrals, and a bevy of benefits that come with the price of your membership, we offer very affordable and effective advertising through the Chamber's popular website, social media, email campaigns, and publications. Right now, is the perfect opportunity to get in touch with me to brainstorm the best strategy to market your products and services, attract donors and volunteers, or promote your event.

Continued on next page.

The President's Club

Thank you, 2026 Members! (Committed as of publishing.)

Personalized Support for Individuals & Facilities Across Pennsylvania

Established in 2011 and proudly based in Milton, PA, Custom Care Pharmacy is a local, family-owned pharmacy serving patients and care teams across the state. We specialize in custom multi-dose packaging that simplifies

medication management—organizing pills by date and time to improve safety, reduce errors, and offer peace of mind.

How long has your business existed?

Custom Care Pharmacy has been in business since 2011. Fifteen (15) years and counting.

What makes your organization unique in your industry?

Custom Care Pharmacy offers free delivery of medication across the state of Pennsylvania. We offer custom packaging of medications. When a Long Term Care, Assisted Living or Personal Care Home partners with CCP, we provide at no cost: Diabetes training, CPR and Defibrillator training and certification through the American Red Cross, Medical Technician training and vaccine clinics as well as receiving no charge computers and medication carts for your facility.

Why are you a member of the Central PA Chamber of Commerce?

We understand the importance of being a member of the Central PA Chamber as a way to connect with community members and businesses.

What benefit/opportunity from your Chamber membership do you utilize or want to utilize?

We are looking forward to networking with other community businesses as well as being able to utilize the Central PA Chambers reach and vast reputation to align Custom Care Pharmacy's name and services to. We are utilizing the Central PA Chamber's website to promote a hiring need as well as attending meetings to become an active participant in other opportunities that may be available.

For individuals, we support busy parents, seniors, and anyone managing complex regimens with easy-to-follow packaging, personalized service, and free delivery to your door.

For facilities, including personal care communities, group homes, and memory care centers, we provide end-to-end pharmacy support: custom packaging for each resident, onboarding and compliance assistance, staff education, consulting, and customized reporting to streamline operations and enhance care.

At Custom Care, we believe pharmacy should be personal. We partner closely with families, providers, and care teams to ensure every patient receives safe, reliable, and compassionate service.

 Call 570-989-0990 or visit CustomCareRX.com to learn how we can support your needs.

Time with Tea Jay

en·cour·age·ment

noun – the action of giving someone support, confidence, or hope

The root word of "encouragement" is courage, which itself comes from the Old French word corage, meaning "heart". The prefix "en-" means "to put in" or "to make," so "to encourage" literally means "to put heart into" or "to give heart to."

Why is encouragement so powerful? It provides the necessary motivation to keep going, especially when facing difficulties or uncertainty. A kind word or gesture can reignite someone's self-esteem and self-confidence, reminding them of their worth and potential.

What does encouragement lead to? Encouragement improves attitude. We never feel worse after someone encourages us. Encouragement almost by definition makes us feel better, puts a bounce in our step and smiles on our face. And when our attitude is better, we are healthier, happier and more productive.

Embarking on this brand-new year please join me in being an encourager to everyone everywhere throughout your 2026 journey. Imagine how much joy and hope there will be in your life, in your relationships, your workplace. Just the thought makes me smile.

1 Thessalonians 5:11 says "encourage one another and build each other up" what a beautiful world it would be if we all followed this command. We are quick to discourage and tear one another down without even giving it a thought. Shameful that encouraging and building one another up is something we don't do near as frequently or easily. Let's (YOU and I) change that narrative for 2026!

Here are some practical ways WE can encourage others:

- Listen actively
- Acknowledge their strengths
- Offer sincere praise
- Convey belief
- Share positive affirmations
- Use encouraging phrases
- Offering concrete assistance
- Be a regular source of support
- Encourage self-care
- Focus on progress not perfection

So how do you become effective at encouraging others:

- Celebrate the small wins
- Practice effective listening
- Express gratitude
- Make it a habit
- Be honest and authentic
- Remember it ALWAYS makes a difference

We tend to think that it's just words and it really doesn't make a difference. I challenge you to think about the last time someone gave you a compliment and how it made you feel. If it's been a while, I am sorry but when you reflect on when it happened last, I am confident that you will smile and agree it encouraged you.

Please know that you are perfect just the way you are and you are enough!

Community Giving Foundation Announces 2026 Grantround

BERWICK – Community Giving Foundation is pleased to announce 2026 competitive grantrounds are now open. Grantrounds include Community Giving Foundation: Berwick, Bloomsburg, Danville, Selinsgrove, and Sunbury. The process begins December 15, 2025, with a deadline of January 31, 2026.

To be eligible to receive a grant, an organization must hold a 501(c)(3) nonprofit status or be a governmental organization. All grants must benefit the residents and communities within the defined service areas. Individuals are not eligible to apply. If your organization is physically located outside of the service area, you may still apply if you will be serving residents within the service area. For information, visit www.csgiving.org and click on "Grants" under the "Grants & Scholarships" menu.

Grant applications will be completed and submitted through a web-based program. To access the application process, select "Grant Site Login" from the Foundation's grant website. Additional information regarding grant guidelines and service areas is also available.

If you have questions regarding the grant process, please contact Karri Harter, Grant and Scholarship Administrator, at kharter@csgiving.org or call 570-752-3930, ext. 6.

Tickets for Second Elevate2 Nonprofit Conference on Sale

Community Giving Foundation and First Community Foundation Partnership of Pennsylvania (FCFP) are neighboring community foundations dedicated to the well-being of communities across six counties in the Susquehanna Valley. The two are thrilled to partner together once again to host Elevate2, a regional nonprofit conference designed to support and strengthen nonprofit leadership. The conference will be held on May 19-20, 2026, at Bucknell University in Lewisburg. Elevate2 will serve as a platform for learning, networking, and sharing experiences as nonprofit work is elevated and community impact is amplified.

Elevate2 is open to 501(c)(3) nonprofit organizations located in Columbia, Lower-Luzerne, Lycoming, Montour, Northumberland, Snyder, and Union Counties. Now in its second iteration, the conference will build on the success of its inaugural event with expanded content focused on leadership, fundraising, marketing, grantmaking, board governance, organizational strategy, and community impact.

Over two days, regional and national speakers will lead workshops, breakout sessions, and networking opportunities. The conference is designed to deliver practical tools, relevant insights, and meaningful connections that help nonprofit staff and volunteers navigate both the challenges and opportunities present in today's sector.

Lewisburg YMCA Offering AI Program for Kids

The Y, Susquehanna Kids and DegenSTEAM Academy are teaming up to offer this free learning opportunity

LEWISBURG - The Lewisburg YMCA is partnering with Susquehanna Kids of Bloomsburg and DegenSTEAM Academy to offer a free, one-hour artificial intelligence learning experience for local youth. The program is supported by the DegenSTEAM Academy, a new initiative of the 1994 Charles B. Degenstein Foundation, as well as a PA Smart Grant. The session will take place Wednesday, Dec. 17, 2025, from 4 to 5 p.m. at the Lewisburg YMCA.

The hands-on program introduces kids to foundational AI concepts using lessons from trusted organizations including LEGO® Education, Google, Minecraft Education and others, all curated on a single platform by Code.org. The goal is to help students better understand the technology shaping the world around them.

The workshop is age-appropriate, interactive and focused on the safe, responsible use of AI. Students do not need to bring any devices or materials, as all equipment will be provided. During the session, students will explore:

- What AI actually is — and what it is not
- How people use AI in everyday life
- Why creative problem-solving, not computers, continues to drive innovation

“Helping kids build confidence with emerging technology is an important part of preparing them for the future,” said Carolyn Reitz, Youth Director at the Lewisburg YMCA. “This program gives students a fun and welcoming introduction to AI, while also emphasizing safety, creativity and curiosity.”

The program, open to kids ages 5-15, is designed for beginners and aims to ensure students feel informed and empowered, not overwhelmed.

While the event is free, registration is required. Parents may register at GSVYMCA.org.

Open Discourse Coalition is honored to announce a long-term, major gift from R. Luke Rohrbaugh.

LEWISBURG - Luke graduated from Bucknell University in 1971 and went on to a successful, multi-decade career in investing. A native of Hanover, Pennsylvania, he now lives in Bluffton, South Carolina. He was recently inducted into the Bucknell Athletics Hall of Fame for his outstanding performance as an offensive lineman. Luke is the father of two sons, one of whom followed him to Bucknell and the other of whom graduated from Susquehanna University, where ODC also sponsors programming. He is an avid hunter and active philanthropist.

“I learned of the work of the Open Discourse Coalition through my fellow Bucknell alumnus, Alex McClinchie,” said Luke Rohrbaugh. “I was not aware of ODC when it first launched, but I quickly became most impressed by its depth of programming, leadership, and base of support. The purpose of my gift is to ensure ODC continues to serve Bucknell students for years to come.”

“Luke’s long-term, major gift is an honor to ODC,” stated co-founder and CEO Charles Mitchell. “I know that Luke, as an investor himself, takes great care in allocating capital. All of us who got the organization going are delighted that he sees so much value in our work, and wants to sustain it in the coming years. Luke’s is the latest in a series of such gifts. Thanks to him and his fellow donors, ODC is well situated to continue its work long into the future—and it has never been more necessary to the future of our country.”

Spherion and SUMMIT Early Learning

MIFFLINBURG - Thank you, Spherion Staffing of Sunbury, for choosing SUMMIT as a recipient of your Holiday Giving Campaign! Your generosity helps us continue supporting local families, and we’re so grateful for your partnership this season.

2025 Board of Directors Election Results

MILTON – The Central PA Chamber of Commerce welcomes several new and returning members to its Board of Directors starting in January 2026.

Elected to three-year terms following the membership-wide election in November are: Steven Beattie, Executive Director of SEDA-COG Joint Rail Authority, Lewisburg; and Eric Turofski, Co-Op Coordinator for SUN Area Technical Institute, New Berlin.

In addition, incumbent Rachael Herb, Vice President of Danville Market for Service 1st Federal Credit Union, Danville, was re-elected to serve a second three-year term. Terry Burke, Coordinator of Experiential and Community Engagement for Bucknell University's Freeman College of Management, Lewisburg; and James White, Business Development and Community Liaison for VNA Health System and Lewisburg Home Health & Crossings Hospice, were appointed to fulfill one-year terms due to vacancies on the Board of Directors.

With new board members means others are stepping down. The Central PA Chamber of Commerce acknowledges Director of the Board, Lauren McDonald, Account Executive at The Wealth Factory, for completing two consecutive, three-year terms of service, including multiple years in various committee assignments. At McDonald's final meeting as a Director of the Board, on December 11, 2025, the entire Chamber staff and board members present expressed their appreciation for McDonald's positive impact and shared knowledge during her years of service.

On the news of being re-elected, Herb expressed, "I'm honored and excited to serve another three years on the Central PA Chamber's Board of Directors. Giving back to an organization that aligns with both my personal values and professional goals is truly rewarding. I look forward to contributing to and celebrating the Chamber's continued growth across all our communities."

In addition to his duties at Bucknell University, Burke serves as President of the Union County Veterans' Fourth of July Committee. He was previously appointed to fulfill a vacancy on the board, earlier in 2025, and highlighted why he is "happy to remain on the Central PA Chamber of Commerce Board of Directors for another year. It is such a fun group of people who get things done in our communities. I am thrilled to be a part of it."

"After many years as a Central PA Chamber member," White explained, "I am pleased to serve on the Board of Directors for this organization. I take great pride in what it stands for and in the services it provides to the community and surrounding areas. Serving in this capacity is both a privilege and an opportunity to collaborate with community leaders while lending my experience to an already outstanding organization."

Beattie remarked, "I am honored to rejoin the Central PA Chamber board after several years and deeply appreciate the trust our business community has placed in me to represent your interests." Beattie previously served two terms on the Board of Directors from 2008-2013, including serving terms as the Vice Chair and Chair of the Executive Committee. "During my time away, I advanced my career by serving national retailers across the country and earning my MBA. Since 2022, I've been proud to redirect my focus toward driving regional economic growth and championing the success of small businesses throughout our valley communities."

Thank you to everyone who participated in the 2025 board elections. Verify your membership designated voter by contacting the Central PA Chamber: 570-742-7341

Thank you for your service, Lauren!

Turofski stated, "I am honored to formally accept the nomination and election to serve on the Board of Directors for the Central PA Chamber of Commerce. I am truly grateful for the confidence placed in me, and I look forward to contributing to the continued growth and success of our regional business community." He also summarized the mission and vision of the Central PA Chamber of Commerce, noting, "The Chamber plays a vital role in supporting local businesses, fostering economic development, and strengthening partnerships throughout Central Pennsylvania. I am excited for the opportunity to collaborate with fellow board members, staff, and community leaders as we work toward advancing these important initiatives."

The Central PA Chamber thanks all of this year's board candidates, everyone who made nominations and the board's nominating committee. The committee included: Directors of the Board, Ron Mackley (Chairman), Sheri Marshall, Alison Hall, and Lauren McDonald as well as former Directors of the Board, Lennea Brown and Robert Jones.

A total of 360 votes were tallied from ballots submitted by a Central PA Chamber member business or organization's designated "voting member." The Central PA Chamber of Commerce, uniquely among like organizations, seeks the input of the membership at large to participate in and directly elect their representatives to the Board of Directors. Central PA Chamber members are encouraged to verify the designated voter for your membership by contacting the Chamber: 570-742-7341.

The 2026 Board Officers who make up the Executive Committee, will be elected by their peers during the February 2026 board meeting.

Welcome, New Board Directors!

Kelsey's Dream Donations

A few weeks ago the truck and trailer arrived to pick up 1,650 toys, donated by Kelsey's Dream.

The toys will go to local children this Christmas! The Chief Carl Reed Christmas Fund in Watsonstown, which supports kids in the Warrior Run School District, and The Two Sisters Toy Drive which supports kids in Milton, Montgomery, Lewisburg, Mifflinburg, Lewistown and more school districts.

Kelsey's Dream is excited to donate and provide to these groups to bring smiles to children this Christmas. They feel it was an excellent choice since Kelsey and Kylie enjoyed supporting the Angel Tree tag program for around 7 years, while growing up. Each year they sponsored 14-18 children. Every child received a bicycle and everything on their list. One year after Kelsey opened her presents, on Christmas morning, she said "wouldn't it be great to be a mouse this morning, to see those kids open all those presents and a bike?!!" And the spirit of giving will continue this year as all those toys are distributed to those worthy causes.

Pictured: Tina Kuhns, CEO/Volunteer of Kelsey's Dream and Kelsey and Kylie's mom, pictured with examples of some of the toys.

\$12,000 Raised in the Second Annual Veterans Benefit Voyage

NORTHUMBERLAND – The North Shore Railroad Company & Affiliates (NSHR) was honored to announce \$12,000 was raised from the second annual Veterans Benefit Voyage - which took place in Lewisburg this past November.

NSHR is thankful to everyone who supported this fundraiser - from buying a ticket to ride the train to purchasing a sweatshirt or hat - each one contributed to making this such a success and giving back to our Nation's Veterans.

In 2024, NSHR dedicated two of its locomotives to the brave members of the United States Military. LVRR 9052 is the Veterans Unit and LVRR 9050 is the Memorial Unit.

It has been the NSHR's goal to use the Military units to not only bring awareness and a reminder of the sacrifice of the United States Military members (in the viewing of the units in regular freight service), but also to be utilized to raise money for nonprofit organizations that support and help Veterans. This past summer, North Shore opened an application process to qualifying, non-profit, Veteran organizations.

Central PA Wreaths Across America (WAA)

Several years ago, a small group of Central Pennsylvania individuals formed a consortium of like-minded people to HONOR, REMEMBER, and TEACH future generations about the brave men and women that signed their name on the dotted line to protect and defend our freedoms. Each December, through Wreaths Across America, 30 local communities gather to lay wreaths and say the name of each Veteran buried in participating cemeteries. The mission is growing each year! Together, they work as one to raise funds for this endeavor, promoting the vision to include more communities as we draw the region together to pay tribute to Central PA heroes. WAA's main goal is to ensure that veterans buried in cemeteries that have joined their consortium receive wreaths during the nationwide Wreaths Across America Day. They also promote the national campaign of REMEMBER the fallen, HONOR those who serve, and TEACH our children the value of freedom.

Heroes & Horses (H&H)

Heroes & Horses was developed to serve our Veterans. They work to help improve lives of our Nation's heroes through connection with horses. Whether it's through riding (which is optional) or just hanging out and grooming, H&H has developed this program to assist Veterans and show just what horses have to offer - in ways of healing the mind, body, and soul. H&H uses their horses to help Veterans identify their anxiety (sometimes when they don't know they have it). 2025 is H&H's 10-Year Anniversary. In those ten years, their program has saved nine Veterans' lives. No Veteran is charged for their services and the H&H's horse farm sets aside funds for meals for Veterans.

Other nonprofits who support Veterans can apply for future fundraising at www.nshr.com/veteranapp.

Jessica's Jottings

Allow me to introduce myself!

Happy New Year! I hope you had a great Holiday break!

For those that do not know me, my name is Jessica Beaver, and I am the Finance and Membership Director for the Central PA Chamber of Commerce.

Personally, I am a mom of a college freshman, wife of a hardworking plumber and caterer to a hundred-pound lap dog. I have 4 siblings, 10 nieces and nephews, and enjoy spending as much time as possible with my whole family. I enjoy watching any sports, but favorites include soccer and football. In my spare time I read, do arts and crafts, attend concerts, and play the occasional game of Bingo!

My role here at the Chamber includes informing members of all their benefits. I also handle informing members of the various sponsorship opportunities available throughout the year. This includes Breakfast Briefings, Inside Jobs Tours, and more! Any questions or concerns about invoices you receive can be directed to me as well.

As we enter the new year, I would like to inform you of a seminar I do each quarter. This seminar has me walk you through every benefit of membership and how to use them. I also head up the Budget & Finance Committee and the Membership & Engagement Committee. If you or anyone from your business/organization would like to get more involved with the Chamber, I am always looking for new Committee members.

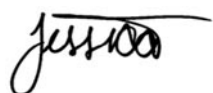

The Membership & Engagement Committee helps me with retention of our nearly 700 members, recruiting new members to the Chamber, and thinking of new ways to engage our membership each month!

The Budget & Finance Committee is in charge of reviewing the monthly reconciliations of all Chamber accounts, reviewing any PAL applications, and making sure the Chamber is fiscally responsible with our accounts and investments.

I am very excited about 2026 and cannot wait for our members to be able to participate in all the events and opportunities we have for you! This year is shaping up to be a momentous one for your Chamber!

If you have any questions about the information, you read here, do not hesitate to contact me!

Thank you for your support of the Central PA Chamber and I look forward to hearing from you soon!
